GOALS AND OBJECTIVES

- ›Meaningful participation in the mainstream of South African and sub-saharan economies.
- ›Form strategic alliances with the best in the industry. Fully exploit construction, mining and other related opportunities.
- ›A strong emphasis on professionalism. Believe that the client/customer is the king.

NMX
CONSTRUCTION & MINING

Where we come from...

- › NMX Construction was registered in 2008. Operations started in 2009 with a small project awarded by Phamodzi Mine in Orkney, reclining and re-vamping as a sub constructor.
- › 2011 we were rewarded a sub-contract for construction of 20 low cost houses in Taung Village were 10 local people benefited.
- › 2012 we were awarded a project for 45 low cost houses by Metroprojects and this project employed 20 men and 5 women.
- › 2013 we had an opportunity to be part of the construction of the biggest mall in the North West, Matlosana Mall under the main contractors Murray & Roberts. We were one of the 50 local contractors who participated in the construction. This project created jobs by employing approximately 125 local people, 30 young individuals, 35 ladies and 45 men.
- › 2013 we renovated change houses in Shaft #7 of China African Precious Metal Mine Orkney, creating employment for 20 male individuals.
- › 2013 NMX Construction was awarded a R23 million project to construct low cost housing in Khunotswana. We subcontracted a woman owned company and employed approximately 40 women, 30 men and 30 young individuals during this project. We also supplied them with relevant certificates of competence for construction of low cost housing. The company also bought a new wheelchair for a disabled woman from the community. We also renovated a vandalised community hall. The project was successfully completed in time. This achievement led to NMX receiving 2nd run up Best Women Contractor in the North West Project.

- › 2015 we trained 5 young individuals as plumbers and they received certificates from the NHBRC.
